

STANDARD SIGMA SPACE (SIGMA) PURCHASE ORDER TERMS AND CONDITIONS FOR COMMERCIAL-OFF-THE-SHELF (COTS) ITEMS

1. The Order and its Controlling Documents: The vendor shall furnish the item(s) specified in full accordance with these terms and conditions, any terms and conditions on the face of the order and the request for quotations, and any other attachment(s) made a part of this order, unless an exception is taken by the vendor to which Sigma has concurred in writing. Sigma specifically rejects any of the vendor's terms or conditions that may be in conflict with the order's controlling documents.

2. Identification of Order: The purchase order number must appear on all invoices, correspondence, containers, shipping papers, and packing lists.

3. Billing Instructions:

(A) Mail your invoice(s) to the "invoice to" address shown on the order, and invoice within five (5) days after shipment of item(s). (B) Delivery tickets and invoices must show the Purchase Order number. (C) Render separate invoices in duplicate unless otherwise requested for EACH and EVERY shipment and render invoices for returnable containers, stating terms and conditions for return thereof.

4. Discounts: Discount time will be computed either from the date of delivery at destination or from the date a correct invoice is received, whichever is later. Discounts shall apply to the total amount unless freight charges are itemized separately.

5. Warranty: In addition to any other warranty, the vendor warrants that the items delivered hereunder shall be free from all defects in material and workmanship and shall comply with all the requirements of this order for a period of ninety (90) days from the date such supplies are delivered. Extended warranties beyond this period apply when specifically shown on this order. Any attempt to change, add, modify, or delete any warranty provision, including by use of package labeling or inserts, will not be binding on Sigma unless it has so agreed in writing.

6. Packing List: A detailed packing list showing the Purchase Order number must accompany shipments.

7. Assignment: This Purchase Order and the monies that may become due hereunder are not assignable except with the prior written approval of an authorized representative of Sigma.

Inspection / Acceptance: All items purchased hereunder are subject to inspection and acceptance or rejection upon receipt by Sigma. Rejected items will be returned at the vendor's expense. The vendor shall reimburse transportation charges paid by Sigma in returning rejected items. Sigma's count shall be final and conclusive on shipments not accompanied by a packing slip. In addition to its right to return rejected items, in the event of delivery of items not in accordance with the requirements of this order, Sigma may notify the vendor of such, and if not repaired or corrected by the vendor within ten (10) days after receipt of such notice, or such additional time as may be mutually agreed to by Sigma and the vendor, Sigma shall have the right to make necessary corrections, if

possible, so that the item(s) conform to the use intended, and the cost of such corrections will be deducted from monies due the vendor under this order.

8. F.O.B. Point: All prices are to be FOB delivered to Sigma Space Corp., Lanham, MD (unless another FOB point is stated by Sigma on this order).

9. Loss or Damage in Transit: When shipping FOB Sigma, delivery by a vendor to a common carrier does not constitute delivery to Sigma. Title to the items purchased hereunder shall pass directly from the vendor to Sigma at the FOB point shown, subject to the right of Sigma to reject upon inspection, per clause 8, herein. Any claim for loss or damage incurred during delivery shall be between the vendor and the carrier. When notified by Sigma of loss or damage, the vendor shall immediately replace the damaged merchandise or be subject to damages for breach of contract. If damage is to a small portion of a total shipment and Sigma will not be inconvenienced because of the shortage, the vendor may be permitted to deduct the amount of damage or loss from its invoice, in lieu of replacement.

10. Changes: Sigma may at any time, via a change order or a modification to the Purchase Order, make changes, within the general scope of this order, in any one or more of the following: 1) quantity or specifications; 2) method of shipment or packing; and 3) place of delivery. If any such change causes an increase or decrease in the cost of, or the time required for performance of this order, an equitable adjustment will be made to the order price, the delivery schedule, or both.

11. Payment: Once the order is accepted, payment will be processed upon submission of proper invoices at the prices stipulated in the order, less any deductions, as provided for herein. Invoices at variance with this provision will not be paid by Sigma until corrected. Unless otherwise specified, partial payments will not be made.

12. Cancellation of Order: Sigma reserves the right to cancel this order or any part thereof without penalty if the vendor fails to comply with the terms and conditions of this transaction, or fails to execute the work with promptness and diligence, or fails to make shipment within the time agreed upon.

13. Delivery: Early delivery is not authorized except as expressly stated in the Purchase Order, or by prior written authorization. Partial delivery is acceptable with prior written authorization from Sigma.

14. Errors: In the case of an error in calculation or typing, the quoted unit price will be used as the basis for correction of this order.

15. Errors: In the case of an error in calculation or typing, the quoted unit price will be used as the basis for correction of this order.

TERMS AND CONDITIONS FOR COMMERCIAL-OFF-THE-SHELF (COTS) ORDERS PLACED BY SIGMA SPACE (SIGMA) UNDER A UNITED STATES GOVERNMENT CONTRACT

STATES GOVERNMENT CONTRACT

In addition to the Standard Sigma Purchase Order Terms and Conditions applicable to this order, if the order is placed to satisfy Sigma's obligations (either as the prime contractor or as a subcontractor) under a

U.S. government contract, the following additional terms and conditions contained herein are applicable, as noted.

In all clauses contained herein, unless the context of the clause requires otherwise, the term "Contractor" shall mean the Vendor, the term "Contract" shall mean the Order, and the terms "Government," "Contracting Officer" and equivalent phrases shall mean Sigma Space Corporation and Sigma Space Corporation's Purchasing Representative, respectively. It is intended that the referenced clauses shall apply to the Vendor in such manner as is necessary to reflect the position of Vendor as a subcontractor to Sigma, to insure Vendor's obligations to Sigma and to the U.S. Government, and to enable Sigma to meet its obligations to the U.S. Government. However, the following clauses shall only apply to the extent that they are applicable by law.

If the Vendor will subcontract any portion of this order (including making purchases toward the fulfillment of this Order), then it shall flow-down all applicable clauses to its vendors along with the appropriate context of the terms (e.g., "Contracting Officer" and equivalent phrases shall mean "Vendor" and "Vendor's Purchasing Representative") to define the actual relationships.

The following clauses are applicable to all orders:

Upon request, the Contractor shall provide information necessary to determine the applicability of this clause.

- (c)(1) The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. - (2) The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. This shall include, but not be limited to—

(5)(i) The Contractor shall not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This prohibition against discrimination does not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.

(ii) The Contractor shall disseminate the prohibition on discrimination in paragraph (c)(5)(i) of this clause, using language prescribed by the Director of the Office of Federal Contract Compliance Programs (OFCCP), to employees and applicants by—

(A) Incorporation into existing employee manuals or handbooks; and

(B) Electronic posting or by posting a copy of the provision in conspicuous places available to employees and applicants for employment.

The Contractor shall also file Standard Form 100 (EEO-1), or any successor form, as prescribed in 41 CFR Part 60-1. (9) The Contractor shall permit access to its premises, during normal business hours, by the contracting agency or the OFCCP for the purpose of conducting on-site compliance evaluations and complaint investigations. The Contractor shall permit the Government to inspect and copy any books, accounts, records (including computerized records), and other material that may be relevant to the matter under investigation and pertinent to compliance with Executive Order 11246, as amended, and rules and regulations that implement the Executive Order.

(10) If the OFCCP determines that the Contractor is not in compliance with this clause or any rule, regulation, or order of the Secretary of Labor, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts, under the procedures authorized in Executive Order 11246, as amended. In addition, sanctions may be imposed and remedies invoked against the Contractor as provided in Executive Order 11246, as amended; in the rules, regulations, and orders of the Secretary of Labor; or as otherwise provided by law.

(11) The Contractor shall include the terms and conditions of this clause in every subcontract or purchase order that is not exempted by the rules, regulations, or orders of the Secretary of Labor issued under Executive Order 11246, as amended, so that these terms and conditions will be binding upon each subcontractor or vendor.

(12) The Contractor shall take such action with respect to any subcontract or purchase order as the Director of OFCCP may direct as a means of enforcing these terms and conditions, including sanctions for noncompliance, provided, that if the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of any direction, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

(d) Notwithstanding any other clause in this contract, disputes relative to this clause will be governed by the procedures in 41 CFR part 60-1.

(iv) Protect all employees suspected of being victims of or witnesses to prohibited activities, prior to returning to the country from which the employee was recruited, and shall not prevent or hinder the ability of these employees from cooperating fully with Government authorities.

(i) Require the Contractor to waive its attorney-client privilege or the protections afforded by the attorney work product doctrine;

(ii) Require any officer, director, owner, employee, or agent of the Contractor, including a sole proprietor, to waive his or her attorney client privilege or Fifth Amendment rights; or

(iii) Restrict the Contractor from—

(A) Conducting an internal investigation; or
(B) Defending a proceeding or dispute arising under the contract or related to a potential or disclosed violation.

(2) The Contractor shall maintain a compliance plan during the performance of the contract that is appropriate—

(i) To the size and complexity of the contract; and

(ii) To the nature and scope of the activities to be performed for the Government, including the number of non-United States citizens expected to be employed and the risk that the contract or subcontract will involve services or supplies susceptible to trafficking in persons.

(i) An awareness program to inform contractor employees about the Government's policy prohibiting trafficking-related activities described in paragraph (b) of this clause, the activities prohibited, and the actions that will be taken against the employee for violations. Additional information about Trafficking in Persons and examples of awareness programs can be found at the website for the Department of State's Office to Monitor and Combat Trafficking in Persons at <http://www.state.gov/tip/>.

(ii) A process for employees to report, without fear of retaliation, activity inconsistent with the policy prohibiting trafficking in persons, including a means to make available to all employees the hotline phone number of the Global Human Trafficking Hotline at 1-844-888-FREE and its email address at help@befree.org.

(iii) A recruitment and wage plan that only permits the use of recruitment companies with trained employees, prohibits charging recruitment fees to the employee, and ensures that wages meet applicable host-country legal requirements or explains any variance.

(iv) A housing plan, if the Contractor or subcontractor intends to provide or arrange housing, that ensures that the housing meets host-country housing and safety standards.

(v) Procedures to prevent agents and subcontractors at any tier and at any dollar value from engaging in trafficking in persons (including activities in paragraph (b) of this clause) and to monitor, detect, and terminate any agents, subcontracts, or subcontractor employees that have engaged in such activities.

(4) *Posting.*

(i) The Contractor shall post the relevant contents of the compliance plan, no later than the initiation of contract performance, at the workplace (unless the work is to be performed in the field or not in a fixed location) and on the Contractor's Web site (if one is maintained). If posting at the workplace or on the Web site is impracticable, the Contractor shall provide the relevant contents of the compliance plan to each worker in writing.

(ii) The Contractor shall provide the compliance plan to the Contracting Officer upon request.

(5) *Certification.* Annually after receiving an award, the Contractor shall submit a certification to the Contracting Officer that—

(2) Periodic evaluation of the effectiveness of the business ethics awareness and compliance program and internal control system, especially if criminal conduct has been detected; and

(3) Periodic assessment of the risk of criminal conduct, with appropriate steps to design, implement, or modify the business ethics awareness and compliance program and the internal control system as necessary to reduce the risk of criminal conduct identified through this process.

(1) If a violation relates to more than one Government contract, the Contractor may make the disclosure to the agency OIG and Contracting Officer responsible for the largest dollar value contract impacted by the violation.

(2) If the violation relates to an order against a Governmentwide acquisition contract, a multi-agency contract, a multiple-award schedule contract such as the Federal Supply Schedule, or any other procurement instrument intended for use by multiple agencies, the contractor shall notify the OIG of the ordering agency and the IG of the agency responsible for the basic contract, and the respective agencies' contracting officers.
